

This flyer outlines the process of selecting Patient Follow-Up to comply with Promoting Interoperability measures.

Selecting Patient Follow-Up:

Inpatient Discharge (Follow-Up with a Provider):

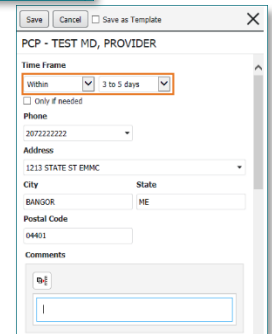

STEP 1: Navigate to the Follow-Up Component on the Discharge Workflow MPage.

STEP 2: In the Quick Picks window, click the Provider radio button, then select the desired follow-up.

STEP 3: In the Added Follow-Ups section, select Modify.

STEP 4: Add the Follow-Up details, any desired Comments, and click Save.

To Add Follow-Up with a Location:

STEP 1: Click the Location radio button.

STEP 2: Search for the location in the Search field.

STEP 3: Select the Location and follow remaining steps above.
