

## From the Office of Clinical Informatics Bridge Blood Transfusion Ending Transfusion Report

October 4, 2022

## This flyer demonstrates how to manually run the end transfusion report within Bridge.

## **Reports**

In Bridge Blood, multiple reports can be run. To log into Bridge Blood, click the icon within PowerChart or FirstNet, which automatically logs in with network sign on and password.

## > Reports

- Select the **Reports** button.
- Select the desired report from the list of reports.
  - Reports also include reports for Bridge Breast Milk.
  - The list of reports cannot be modified.
- Select Go.
