## Viewing PETCT images via XERO Viewer by an image link in the medical record.

Accessing PETCT Images

STEP 1:   From the chart, navigate to the **Imaging** or **Diagnostic** component on a **Workflow MPage**.

STEP 2:   Select the **imaging study** to be viewed.

STEP 3:   Click the **View Image** icon.

NOTE: **The image status must be Final Report to view an image from the EHR.**

STEP 4:   Click the **X** icon to close report.

STEP 5:   Click the **Cube** dropdown.

STEP 6:   Click **Extended Tools (PT,CT)**.

STEP 7:   Click **Hanging Protocol** icon.

STEP 8:   Select **PETCT fusion/PETCT**   **fusion AX**.
