Document POC Results

- ➢ From the patient's chart:
- **<u>STEP 1</u>**: Click Single Patient Task List in the Menu.
- <u>STEP 2</u>: Click the Chart Done icon in the left-most column for the task you wish to document. The appropriate PowerForm launches.
- **<u>STEP 3</u>**: Update the **Performed On** fields, if needed.
- <u>NOTE</u>: It's important that these fields reflect when the test was actually drawn.
- **<u>STEP 4</u>**: Document the values in the appropriate fields.
- **<u>STEP 5</u>**: Enter the lot number of the supply item in the Lot Number field, if available.
- **<u>STEP 6</u>**: Enter the expiration date of the supply item in the **Expiration Date** field, if available.
- <u>NOTE</u>: To access the calendar, click the Expiration Date drop-down arrow.
- **<u>STEP 7</u>**: Enter the clinician who collected the test in the **Collected by** field.
- <u>NOTE</u>: To search for a clinician, complete the following steps:
 - Click the Search icon.
 - Enter the clinician's name in the First and Last name fields.
 - Click Search.
 - Click the appropriate name in the results.
 - Click OK.

<u>STEP 8</u>: Enter the clinician who performed the test in the **Performed by** field.

<u>STEP 9</u>: Enter the appropriate date in the **Performed By Date** field.

<u>NOTE</u>: You can type the letter "T" shortcut to enter today's date.

- **<u>STEP 10</u>**: Enter the appropriate time in the **Performed By Time** field.
- <u>NOTE</u>: You can type the letter "N" shortcut to enter the current time.
- **<u>STEP 11</u>**: Enter the clinic/practice where the test was performed in the **Performing Location** field.
- **<u>STEP 12</u>**: Document any additional comments in the **Comments** field, if needed.
- **<u>STEP 13</u>**: Click the Sign icon. You return to the Single Patient Task List.
- **<u>STEP 14</u>**: Click the **Single Patient Task List Refresh** icon. The task falls off the list.

Review the Results

- **From the Single Patient Task List:**
- **<u>STEP 1</u>**: Click the Home icon. The workflow page displays.
- <u>STEP 2</u>: Navigate to the Labs Flowsheet component.
- <u>NOTE</u>: If the results do not display, complete the following steps:
 - Click Change Filter.
 - Select the Point of Care check box.
 - Click Apply.

For questions regarding process and/or policies, please contact your unit's Clinical Educator or Clinical Informaticist. For any other questions please contact the Customer Support Center at: 207-973-7728 or 1-888-827-7728.
