Place an ED JPP PowerPlan

- From the ED View page:
- **<u>STEP 1</u>**: Click the **Quick Orders** tab.
- **<u>STEP 2</u>**: Click the ED Joint Practice Protocol PowerPlan(s) you want to order.
- **<u>STEP 3</u>**: Click the **Orders for Signature** icon. The Orders for signature window displays.
- **<u>STEP 4</u>**: Click **Sign**. The Ordering Physician window displays.
- <u>STEP 5</u>: Document the ordering physician.
- **<u>STEP 6</u>**: Document the communication type.
- <u>NOTE</u>: Depending on your location, select either Protocol, which does not require a provider's signature, or Request Co-Sign.
- **<u>STEP 7</u>**: Click **OK**. PowerPlan orders display.
- NOTE: JPP PowerPlans open with pre-selected orders.
- **<u>STEP 8</u>**: Verify that all the selected orders apply to the patient.
- NOTE: You can clear orders or select additional orders using the associated check boxes.

Add an Order to an ED JPP PowerPlan

- **<u>STEP 1</u>**: Click the **Add to Phase** button.
- **<u>STEP 2</u>**: Click **Add Order**. The Add Order window displays.
- **<u>STEP 3</u>**: Enter the order in the Search field. Results display below.

- **<u>STEP 4</u>**: Click the appropriate order.
- STEP 5: Click Done.

Initiate ED JPP PowerPlan Orders

While you can plan orders for later, initiating orders now allows for the orders to be active on the patient's profile immediately.

- **<u>STEP 1</u>**: Click **Initiate Now**. The orders display with Lightbulb icons.
- <u>NOTE</u>: When you initiate a PowerPlan, the system will alert you to any drug on allergy or drug on drug interactions. To acknowledge an alert, click OK.
- **<u>STEP 2</u>**: Click Orders for Signature.
- <u>NOTE</u>: A blue Missing Details icon next to an order indicates the order is missing required information. You can click the icon or click Sign to document the required information.
- STEP 3: Click Sign.
- NOTE: If an order is missing required information, an Order Services window will display.
 - Click First Detail. The Details pane for the order displays.
 - Document required information.
- <u>NOTE</u>: It there are two identical orders, a Duplicate Order Alert window will display, with the duplicated order selected. Click Remove.
- **<u>STEP 4</u>**: Click the **Refresh** icon.

Modify or Discontinue ED JPP PowerPlan Orders

- **<u>STEP 1</u>**: Click the New Order Entry header. The Order Profile opens.
- **<u>STEP 2</u>**: Click the PowerPlan you want to modify or discontinue.
- **<u>STEP 3</u>**: Right-click the PowerPlan; then click **Discontinue**.
- **<u>STEP 4</u>**: Select the orders you want to remain active, if applicable.
- **<u>STEP 5</u>**: Click **OK**. The Ordering Physician window displays.
- **<u>STEP 6</u>**: Document the ordering physician.
- **<u>STEP 7</u>**: Click **Request Co-Sign**.
- **<u>STEP 8</u>**: Click **OK**. Discontinued orders display in blue with a strikethrough.
- **<u>STEP 9</u>**: Click Orders for Signature.
