Education Plan and Important Dates

Northern Light Home Care and Hospice: Netsmart Advancement Project

What is our Education Strategy?

- Pre-Implementation
 - Online simulator education
 - Course: NOLH-7300 NETSM Introduction to iPad 101
 - Complete prior to class if not fluent in iPad operation.
 - Workflow based classroom learning (required)
 - Available Classes:
 - Routine Visit with Frequency and Care Plans
 - Routine Visit for LPN and PTA
 - Home Health Aide
 - Train the Trainer & Super User Education
- Go-Live Resources
 - Educational flyers
 - Workflow Checklists

How do I access my learning materials and see my class details?

- Go to www.promisepoint.com/northernlighthealth.
- Your username:
 - NL employees = seven-digit employee number (e.g., 0099999)
 - Non-employees = system username (e.g., MSXYZ9)
- Your password = password
 - Case-sensitive, all lowercase. Update at prompt.
 - If you've previously used PromisePoint, please use the password set up at that time. Click [here](#) to request a password reset.

Learning Tasks

- Prior to class, complete [NOLH-7300 NETSM Introduction to iPad 101](#) in [PromisePoint](#), if appropriate.
- Attend class. (Enrollment is being handled by departmental leadership. Please direct related questions to Elisha Foss.)
- Review flyer and Workflow Checklists.
