Oncology Optimization Project: NL Eastern Maine Medical Center and AR Gould & Maine Coast Hospitals

Cerner Learning FAQs

What is our Learning Strategy?

- ✓ Pre-Implementation
 - Customized role-based Education Plans
 - Education includes some/all of the following...
 - Simulator/Video Education (prerequisite to classes)
 - Workflow-Based Classroom Education
 - Independent, Self-Paced Workbooks
 - Flyers and Education Flashes
 - Project education must be completed prior to go-live
- ✓ Go-Live Resources
 - Quick Reference Guides (QRGs)
 - Flyers and Education Flashes
 - Workflow Checklists
 - At-the-Elbow (ATE) & Super User Support with Command Center

How do I access my learning material?

- ✓ When prompted by Clinical Informatics or your leadership, go to www.promisepoint.com/northernlighthealth.
- ✓ **Username:** Seven-digit employee number (include any leading zeros) **OR** the username given to you by CI at hire
- ✓ **Initial password** = password
 - Case-sensitive, all lowercase. Update at prompt.
 - If you've previously accessed your PromisePoint account, please use prior username and password.
- ✓ Find your assigned **Oncology Suite** curriculum under **My Assignments** on the **Learning** Page.
- ✓ In-Person or Virtual Sessions display in **My Upcoming Classes**. (Enrollment is done by your leadership.)

Learning Tasks

1. Classroom Enrollment: Will be completed by your manager.
2. Complete assigned online **Oncology Suite** education.
3. Attend classroom education (providers, MAs, nurses, pharmacists).
4. Review QRGs and Workflow Checklists, as needed.
