Perioperative Optimization Project: NL Acadia, Inland, & Sebasticook Valley Hospitals

Cerner Learning FAQs

What is our Learning Strategy?

- ✔ Pre-Implementation
  - o Customized role-based Education Plans
  - o Education includes some/all of the following…
    - ▪ Simulator/Video Education (prerequisite to classes)
    - ▪ Workflow-Based Classroom Education
    - ▪ Independent, Self-Paced Workbooks
    - ▪ Flyers and Education Flashes
  - o Project education must be completed prior to go-live
- ✔ Go-Live Resources
  - o Quick Reference Guides (QRGs)
  - o Flyers and Education Flashes
  - o Workflow Checklists
  - o At-the-Elbow (ATE) & Super User Support with Command Center

How do I access my learning material?

- ✔ When prompted by Clinical Informatics or your leadership, go to www.promisepoint.com/northernlighthealth.
- ✔ **Username:** Seven-digit employee number (include any leading zeros) **OR** the username given to you by CI at hire
- ✔ **Initial password** = password
  - o Case-sensitive, all lowercase. Update at prompt.
  - o If you've previously accessed your PromisePoint account, please use prior username and password.
- ✔ Find your assigned **Periop/Anesthesia** curriculum under **My Assignments** on the **Learning** Page.
- ✔ In-Person or Virtual Sessions display in **My Upcoming Classes**. (Enrollment is done by your leadership.)

Learning Tasks

1. Classroom Enrollment: Will be completed by your manager.
2. Complete assigned online **Periop/Anesthesia** education.
3. Attend classroom education (nurses, certain anesthesia providers).
4. Review QRGs and Workflow Checklists, as needed.
