

## Cerner Millennium Upgrade Education

All Cerner Millennium applications will undergo an update **Tuesday, May 14 – Wednesday, May 15, 22:30 – 04:30 hrs.** The updates will include an array of enhancements and corrections.

For ease of access, education for the expected changes is available on the [Clinical Informatics Education Portal](#). It is best to always reference this site, to have the most up-to-date information available.

### Current Content:

- [Flyer: Code Upgrade Education \(All users\)](#)
- [Downtime Memo](#)

### Target Audiences for Education:

- All caregivers in all venues (inpatient, ambulatory, outpatient, peri-operative/peri-procedural, emergency department, ancillary, care management)
- All support personnel (same venues as above)
- All patient access personnel (and personnel with patient access responsibilities)
- All clinical quality assurance/management personnel
- Anyone responsible for running reports for data out of Cerner Millennium (PowerInsight, ExplorerMenu, Discern Analytics)

Clinical Informatics – Please share this information with **All Staff** and make this a topic of discussion in upcoming rounding.

**Behavioral Health:** *This information **does** affect behavioral health caregivers.*
