Electronic Health Record

Activation Line Workflow Updated

On **Tuesday, May 21**, staff on the **Activation Line** will begin to use an **updated workflow** when **accessing a patient's chart and interacting with the laboratory orders**. The update will allow staff to efficiently process orders and enable the results to flow back to the ordering provider for necessary notification to the patient of their results.

Clinical Informatics – Please share this information with **Activation Line staff** and make this a topic of discussion in upcoming rounding.

Behavioral Health:** This information **does not affect behavioral health caregivers.
