

CareCompass Pain Medication Response Tasks

On **Wednesday, March 20**, additional **pain response tasks** will be added to CareCompass for **IV and IVPB Acetaminophen**, in addition to, **IV and IV Push Ketorolac**. The update will streamline documentation and follow-up of pain response tasks for nursing in CareCompass.

Clinical Informatics – Please share this information with **Inpatient Nursing** and make this a topic of discussion in upcoming rounding.

Behavioral Health: This information **does not** affect behavioral health caregivers.
