

Patient Behavior Safety Flag Form Alert Update

On **Thursday, April 4**, the **Patient Behavior Safety Flag Discern Alert** will be updated to have the correct link to the **Patient Behavior Safety Plan form**. The update will break the link for anyone who currently has a **Patient Behavior Safety Flag Care Plan** documented within the EHR.

NOTE: For the correct alert to fire after the update, the clinician will need to re-do the Patient Behavior Safety Flag Care Plan on any patient that currently has one completed.

Patient Behavior Safety Flag Care Plan Alert Update:

Clinical Informatics – Please share this information with **All Inpatient and ED Staff** and make this a topic of discussion in upcoming rounding.

Behavioral Health: This information **does** affect behavioral health caregivers.

NOTE: This mailbox is not frequently monitored. [Please direct any questions to the Clinical Informatics team using this link.](#)
