

# Cerner CommunityWorks Monthly Update

## Northern Light Mayo

The next monthly update will occur **Monday, April 22**. An array of enhancements and corrections will be included. These have been outlined in the attached Flash Flyer, which is also available online at: [Mayo CommunityWorks Monthly Update Flash Flyer](#).

This and all future monthly Flash Flyers are kept at the above link for ease of reference. Please reach out to your clinical leadership, Super Users, or Clinical Informaticist with any questions.
