

CareAware Connect EMMC Go Live

On **Tuesday, March 26**, the implementation of **CareAware Connect** devices will occur. These devices will be utilized by Clinical and Ancillary staff throughout EMMC to help streamline communication and workflows to improve patient care.

Benefits for All Staff

- Increased ability to Message/Call staff using **Connect Messenger** and **Connect Voice**.
 - Ability to contact a specific role (Charge RN, Care Manager, Physical Therapist) if the name is not known.

Benefits for Nursing/Respiratory Therapy

- Ability to **Review** the patient chart, complete **Medication Administration**, complete nurse **Specimen Collect**, document **Vital Signs**, or **take a picture** of a wound/pressure point.

Benefits for EVS and Transport

- iPod replacement devices that will also have **Connect Messenger** and **Connect Voice** for communication.
- **Capacity Management** workflows will remain the same within the Capacity Management Application.

Benefits for Hospitalists and Managers

- Ability to use their own devices (BYOD -Bring your own device) for **Connect Messenger**.
- Click [here](#) for instructions on how to download the CareAware Connect Messenger app.

Clinical Informatics – Please share this information with **All ED and Inpatient Clinical and Ancillary Personnel including EVS and Transport services** and make this a topic of discussion in upcoming rounding.

Behavioral Health: *This information **does not** affect behavioral health caregivers.*
