

## Insulin PowerPlan Changes

Effective 11/28/23, the following PowerPlans were inactivated and replaced with **the Insulin Basal, Pre-Meal, Correction, and Sliding Scale PowerPlan**:

- Basal and Pre-Meal Insulin for Patients Previously on Insulin
- Basal Bolus Correction Insulin for Patients NOT Previously on Insulin
- Basal Bolus Insulin for Diabetic NOT on Insulin – Eating
- Basal Bolus Insulin for Diabetic NOT on Insulin – NPO
- Humalog Insulin Correction Scale – NPO or Continuous Tube Feeding
- Humalog Insulin Correction Scale – Patient Eating

For more information regarding use of the PowerPlan:
